

Wir bieten Praktikumsplätze im Bereich

# Online-Marketing & Product management

## Your tasks

- Creation of content for our social media channels.
- Market Analysis and Market Optimisation
- Research and editorial revision of existing texts
- Operational support of the online marketing team
- Content research and market monitoring for product management
- Project support for product management

## Your profile

- Studies in communication sciences, business administration, media technology, media management or comparable degree program
- High affinity in the online area, e-commerce and social media
- Proficient in writing and correcting texts
- Familiar with MS Office programs
- German skills
- Able to work independently and results-oriented

## Our offer

- Your three-to-six-month internship will challenge and promote your talent. From the first minute we offer you the opportunity to contribute your own ideas and finally apply your theoretical knowledge in professional practice.
- Get to know a young Berlin startup from the inside!
- We have flexible working hours and trust you on the outcome!
- Work in one of the coolest offices in town! In the famous Alten Münze near Alexanderplatz, with the view on the river Spree!
- We never forget to have fun with many Team events

**Send your CV to [jobs@routerade.com](mailto:jobs@routerade.com). We look forward to you.**
